Staff Spotlight

Summer Miller, Assistant Executive Director

After 20-plus years in the legal profession, I am excited to announce a new journey in my career. This new adventure has led me to the Token 3 Club and for that, I could not be more thrilled. Over the course of the past six years, I have personally experienced the power of peer-to-peer support against recurring relapse, and I believe that the Token 3 Club offers a safe and welcoming place every day for those seeking recovery. Not only has peer-to-peer support saved my life, I now get to witness the effect it has on those who visit us daily. I feel passionate about our mission at the Token 3 Club, and I aspire to continue to bring hope to all who seek it when they walk into our Club.

Supporting the Token 3 Club

Give for Good Louisville 2023

The T3C took part in this year's city wide campaign of Give for Good Louisville. Thanks to a generous anonymous donation of a \$10,000.00 matching fund the Club received over \$25,000.00 this year from over 100 donors. This was more than a 50% increase over last year's Give for Good campaign.

2023 Token 3 Club Classic Golf Scramble

Ninety-six golfers teed off on Oct 2, 2023 at Oxmoor Country Club in the second annual Token 3 Club Classic Golf Scramble. Approximately twenty volunteer committee members led by Ed and Noreen Fenton raised almost \$60,000.00 from the participants and from over 40 sponsors. The net proceeds available to support the Club is up 25% from last year.

Thank you to all the donors and volunteers that keep the Token 3 Club a safe and welcoming place to continue recovery.

The Start of the Token 3 Club

The Token Club started in July 1946. Alcoholics Anonymous grew exponentially in the early 1940s after visits from Bill Wilson in 1941, 1943 and a public speaking appearance in 1944. To handle the growing fellowship, the Club was formed and rented rooms at the Vaughn Building, 300 W. Main, at the corner of Third and Main Streets. Its initial purpose was to provide opportunities for the social activities of the A.A. members. A year later, 1947, a secretary was employed to handle the growing business functions of the fellowship – the start of Central Office if you will. Today A.A. traditions ensure clubs and A.A. are separate entities. In the late 1940s, however, the Token Club and the Central Office worked closely to serve the A.A. fellowship. By December 1948 Central Office had moved to the Realty Building at Sixth and Jefferson but it continued to share telephone numbers with the Token Club. In fact, the Token Club and Central Office shared a telephone number through August 1960. More history to come!
